GREENSBORO PARKS & RECREATION

"Educates for Leisure"

Each year, the Greensboro Parks & Recreation Department offers hundreds of classes and special events for people of all ages, all abilities, and from all walks of life. It is important that our citizens understand the benefits of leisure activities, so they can make appropriate choices about their parks and recreation experiences and enjoy participating to the fullest extent. To that end, our Department has developed a year-round Leisure Education program, which highlights the benefits of recreation activities, including skills development, appreciation of leisure, increased self-esteem, personal growth and social interaction. The Department works with other community organizations such as local schools, businesses, civic clubs and service associations to carry out our Leisure Education plan.

4th Annual Flying Frog Adventure Race SATURDAY, SEPTEMBER 16, 2006

On Saturday, September 16th, the Greensboro Watershed Parks will host the 4th Annual Flying Frog Adventure Race at beautiful Lake Brandt. The adventure race involves paddling for 3-5 miles, mountain biking a distance of 5-10 miles, trail running for 5-10 miles, the use of basic navigational skills, and team or individual challenges. The competition is challenging for experienced racers, yet easy enough for beginners.

In adventure racing, teams must complete each section of the course together and cross the finish line as a team. The exact order, distance and route of the particular events are not revealed until the day of the race. The adventure race offers an atmosphere of camaraderie, teamwork and sportsmanship. Teams consist of 3 people, ages 18 and over, and compete in one of the following divisions: Co-ed, All-male, or All-female. The Singles Division is open to the first 15 participants total in both male and female divisions. The entry fee is \$180 per team, or \$60 per individual. The Flying Frog Adventure Race proceeds benefit the Greensboro Watershed Parks and their year-round environmental education programs.

To register, call Sue Davis, City Lakes Supervisor, at 336-282-0243, or check out the official race website at: www.flyingfrogar.com
